INSTALLATION INSTRUCTIONS

Built-In: The Sizzler is a retrofittable, free-standing gas braai, designed to fit into a recess cut into cabinetry, or replace wood burning grates in traditional built-in-braais.

*A recess formed into the cabinetry, housing the Sizzler Gas Braai should be lined with fire retardant materials (e.g. ceramic blanket or vermiculite board).

* Installation must be done by a certified gas installer.

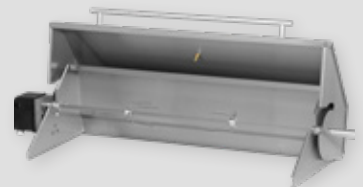

* For outdoor use only.

* For domestic use only.
