- BUILT-IN-BRAAIS -

Create unforgettable memories with the Entertainer Gas Braai. The Chad-O-Chef Entertainer Built-In-Braai is a stylish and functional catering solution for your contemporary entertainment area. The sleek Stainless Steel housing provides a modern look, while the spacious design allows you to grill up to two large steaks per burner.

Add a commercial grade rotisserie spit for even more cooking options. The bottom door of the Entertainer doubles as a convenient workspace, making it easy to prepare your ingredients and keep your workspace organized.

- Available in 4, 5 & 6 Burner
- LP Gas / Natural Gas options available
- Inland grade / Coastal Grade
- Forced Draught or Natural Draught Extraction options
- Warmer Grid or Rotisserie Option
- Lightfitting Standard (All Units)

INSTALLATION INSTRUCTIONS

The Entertainer Built-In-Braai is designed to be bricked into place once set on top of load bearing lintels. The lintels should be set at a height of 800-900mm (depending on your preferred height)

The **Forced Draught** option requires the addition of extractor components to ensure the removal of smoke from the Braai and is necessary where there is no space for a traditional chimney.
* Please contact us, for more info on Extractor components.

The **Natural Draught** option is a self-venting Built-In-Braai where there is space for a traditional chimney to be built.

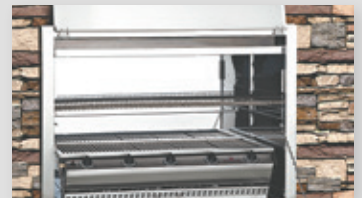

* The Entertainer Built-In-Braai cannot be retrofitted into an existing aperture. (See our Sizzler Gas Braai for retrofitting purposes)

* Installation must be done by a certified gas installer.

* For outdoor use only.

* For domestic use only.
